Utwór 'It's Gonna Be Alright' to nowość od Komodo. Premiera 4 maja 2023r.

Are you willing to
take the risk□Empty fate□go further on with this
Nothing's ever
scared you until now
Take a deep breath
let your feelings out

We'll take it slowly□we'll take it step by step□You and I we are the only ones
who know what's best

Let's think about it□let's talk about it□How to work this out□but I'm not worried no cos I

I know it's gonna be alright□We need to give it some time
but I know it's gonna be alright
Take my hand and jump cos I□ know it's gonna be alright□We need to give it some time
We need to give it some time
I know it's gonna be
it's gonna be alright

Take the challenge□show me that you dare□Take this big step□show me that you care□We can do
Make the right choice□we can change our lives

We'll take it slowly□we'll take it step by step□You and I we are the only ones
who know what's best

Let's think about it
let's talk about it□How to work this out□but I'm not worried no cos I

I know it's gonna be alright□We need to give it some time
We need to give it some time
but I know it's gonna be alright
Take my hand and jump cos I□ know it's gonna be alright
I know it's gonna be alright□We need to give it some time
We need to give it some time
but I know it's gonna be alright
I know it's gonna be
It's gonna be alright

We need to give it some time
I know it's gonna be
It's gonna be alright
