Kool And The Gang, Cherish

Let's take a walk together near the ocean shore hand in hand you and I Let's cherish every moment we have been given for time is passing by I hope and pray before I lay down by your side If you receive your calling before I awake Could I make it through the night? Chorus Cherish the love we have We should cherish the life we live Cherish the love, cherish the life, cherish the love Cherish the love we have For as long as we both shall live Cherish the love, cherish the life, cherish the love The world is always changing, nothing stays the same But love will stand the test of time The next life that we live in remains to be seen Will you be by my side I often pray before I lay down by your side And if you receive your calling before I awake Could I make it through the night?
