

Kool G. Rap, Money In The Bank

featuring Ant Live, Freddie Foxxx, Large Professor

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

[Large Professor]

Listen

You get upset, when you hear the Large Professor

on your girl's cassette, deck, expect

nothin comin soft, cause I'll never throw weaker blows

I'll kick you in your [ass] and your breath'll smell like sneaker soles

Now how's that for a fixin?

You'd better rather go to Roy's, cause I ain't kickin science fiction

I kick a size nine sneaker or boot

Chop chumps to stumps, and they remain mi-nute

The Sheik, I get deep, and always leave with the wet meat

Because of my technique, I'm the one you let speak

I collect crops and props like spinach

I'm vintage, your single sums up to a ten inch

My soul brother Van Paul and Pete Rock

keep the funk flowin until the last beat stops

The soul man, can't have you leavin on a stretcher

Probably, have you leavin in leather, I catch a body

from wreckin slum rappers, but to be frank

I don't give a [f**k] I got money in the bank

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

[Freddie Foxxx]

This is the stage of triple-X

when you're sittin by your radio, screamin, "Freddie Foxxx goes next"

Those beholdin the words of a master

find mental disaster, as I kick it faster

Whoever opposes me, and what I feel

might find their legs bein replaced by steel

This is a brand new year, and the penalty is death

so there won't be a lot of suckers left

I grab the mic, and I load it like a long four-fifth

huh, and dare you to riff

or even sneeze as I blow you to your knees, have you curled up

in a corner like a dog, with hoof in mouth disease

Spittin razor blades, cuttin veins you can't stitch

I got you screamin like a [bitch]

I took your microphone, you can't get it back

because your rap was wack

I'm comin fifty strong in an armored tank

and takin money to the bank

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you rolled and rocked"

"Money in the bank, yeahhhh"

"Rocked and rolled, but then you ro.. rolled.."

[Kool G. Rap]

Kool G. Rap for your first selection, get up on it

To my opponents, let me just demonstrate for a minute

Crooks gettin hooked, to my book, just like an addiction

Stop your diction you drop, the science fiction

Let's get specific you can't get with it

I'm too terrific and scientific, forget it

don't even try to limp it, you're not ready to make hits

You still got a learner's permit
Poppin that [shit], you better sit
Here's a word, of a third degree burn, so listen and learn
You're missin a turn, so you better get, concerned
my challenger, check the calendar
I'm as live as a .45 caliber, Colt
with a silencer, wettin up, suckers I be settin up
Button up, while I'm cuttin up, never lettin up
I don't link up, with suckers with raps that shrank
Thanks sonny, I'm takin money to the bank
"Money in the bank, yeahhhh"
"Rocked and rolled, but then you rolled and rocked"
"Money in the bank, yeahhhh"
"Rocked and rolled, but then you rolled and rocked"
"Money in the bank, yeahhhh"
"Rocked and rolled, but then you rolled and rocked"
[Ant Live]
One in the chamber, eight in the clip
Pull out a razor, watch your rhyme book rip
It's Ant Live, liver and deliveries get liver
with G. Rap, and we're the sole survivors
MC's wanna try me, but can't escape, my clutch
Too much, caught in the ropes, like double dutch
You wanna run up, you better run up light
Cause like a whorehouse shippin out [pussy] tonight
Believe me I ain't goin out like a brick parachute
or a fruit, or a guy that wears Brut
cologne, I'm violent prone, so leave me alone
I'm about to set fire to the microphone
and leave the mic so hot you need potholders for this
Due to burnt wires it's cordless
(Yo Ant Live make suckers walk off the plank)
Not now, I'm takin money to the bank
"Money in the bank, yeahhhh"
"Money in the bank, yeahhhh"
"Money in the bank, yeahhhh"
"Money in the bank, yeahhhh"
"Money in the bank, yeahhhh"
"Money in the bank, yeahhhh"
