## Korn, A Different World (Feat. Corey Taylor)

I dream of the past, so I can break through The walls I have built inside The thoughts I can't grasp Transparency through They're constantly fight and collide

I'd love to see a different world A place where you can't find me

Feel me, kill me, My back's up against the wall Your magic spell doesn't work anymore Kill me, kill me, That's what you've got to face, my friend (my friend) This ain't the end

Why can't I relax and let it be true? This world that I try to hide It's kind of a mess Too reckless for you This place makes me feel alive

I'd love to see a different world A place where you can't find me

Feel me, kill me, My back's up against the wall Your magic spell doesn't work anymore Kill me, kill me, That's what you've got to face, my friend (my friend) This ain't the end

The call of the purpose is the change in behavior And that's all we can sense of the strangers It gets on top of you and forces your perspective Then you know it, can feel it, It's as dark as you can get, you want it

Harder!
Harder!
Harder!
Give it to you
Harder!
Harder!
Harder!

You just want it

Harder!
Harder!
Harder!
Give it to you
Harder!
Harder!
Harder!
Harder!

I don't think you'll ever get it

Feel me, kill me, My back's up against the wall Your magic spell doesn't work anymore Kill me, kill me, That's what you've got to face, my friend (my friend) This ain't the end
