

Korn, Anna Konda

You and me
We have no faces
Soon our lives they'll be erased
Do you think they will remember?
Or will we just be replaced
Oh I wish that I could see,
How I wish that I could fly
All the things that hang above me
To a place where I can cry

So what can it be?
No one hears me call,
Echoes back at me
No ones there.
To all these nameless feelings
I cant deal with in my life
To all these greedy people
Trying to feed on what is mine
You've got to filll your hunger
And stop fucking with my mind
I know its time to leave these places far behind

You and me
We have no faces
They don't see us anymore
Without love as they had promised
And no faith for what's in store
Oh I wish that I could see
How I wish that I could fly
All the things that hang above me
To a place where I can cry

So what can it be?
No one hears me call,
Echoes back at me
No ones there.
To all these nameless feelings
I cant deal with in my life
To all these greedy people
Trying to feed on what is mine
You've got to filll your hunger
And stop fucking with my mind
I know its time to leave these places far behind

Where are all these feelings hiding?
Dancing in and out my mind
Burning up all that I long for
Feeding me till my decline
Where are you? My soul is bleeding
I am searching am I blind?
All alone and bound forever
Trapped inside me for all time

To all these nameless feelings
I cant deal with in my life
To all these greedy people
Trying to feed on what is mine
You've got to filll your hunger
And stop fucking with my mind
I know its time to leave these places far behind [x2]
