

Korn, Blind (Unplugged Version)

What's up everybody?

Are you ready?

There's a place inside my mind, a place I'd like to hide
You don't know the chances.
What if I should die?
A place inside my brain, another kind of pain
You don't know the chances
I'm so blind.
I'm so blind.

Another place I find to escape the pain inside
You don't know the chances.
What if I should die?
A place inside my brain, another kind of pain
You don't know the chances
I'm so blind.
I'm so blind.

To burn, to burn, to burn inside 22
Livin' a life that seems to be
A lost reality
That I can never find a way to reach
My inner self-esteem is low.
How deep can I go in the ground that I lay
If I don't find a way to see through the gray that clouds my mind?
This time I look to see what's between the lines.

I can't see, I can't see, I'm goin' blind.
I can't see, I can't see, I'm goin' blind.
I can't see, I can't see, I'm goin' blind.
I can't see, I can't see, I'm goin' blind.

I can't see, I can't see, I'm goin' blind.
I can't see, I can't see, I'm goin' blind.
I can't see, I can't see, I'm goin' blind.

I can't see, I can't see, I'm goin' blind.
I can't see, I can't see, I'm goin' blind.
I can't see, I can't see, I'm goin' blind.
