

Korn, Did My Time (Live)

Realized I can never win
Sometimes I feel like I have failed
Inside where do I begin
My mind is laughing at me

Tell me why am I to blame
Aren't we supposed to be the same
That's why I will never tame
This thing that's burning in me

I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me

Sometimes I can never tell
If I've got something after me
That's why I just beg and plead
For this curse to leave me

Tell me why am I to blame
Aren't we supposed to be the same
That's why I will never tame
This thing that's burning in me

I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me

Betrayed
I feel so enslaved
I really tried
I did my time
I did my time
I did my time
I did my time
I did my time

I am the one who chose my path
I am the one who couldn't last
I feel the life pulled from me
I feel the anger changing me

Oh God, the anger's changing me
Oh God, the anger's changing me.
