

Korn, Good god

You came into my life without a single thing
I gave into your ways which left me with nothing
I've given into smiles, I've dealt with all your games
I wish you're happy now, I had to let you win
Why don't you get the fuck out of my face, now
Why don't you get the fuck out of my face, now
In the sea of life, you're just a minnow
You live your life insecure
I feel the pain of your needles
As they shit into my mind
I scream without a sound
How could you take away everything that I was?
Left me a fuckin slave
Your face that I despise
Your heart inside that's grey
I came today to say, you're fucked in every way
Why don't you get the fuck out of my face, now
Why don't you get the fuck out of my face, now
In the sea of life, you're just a minnow
You live your life insecure
I feel the pain of your needles
As they shit into my mind
You stole my life without a sign
You sucked me dry
Why don't you get the fuck out of my face now
Why don't you get the fuck out of my face now
