

# Korn, In Place

Life is boring  
Sleep is boring  
Don't stop running  
I'm here counting

The life, the hurt, the pain, the hate  
The life, the hurt, the pain, the hate  
The life, the hurt, the pain, the hate  
Really can't fuck with me  
There's no where else to go

So I walk but seem to crawl  
For I'm giving in today  
Now I run into a wall  
Cause I cannot find my way

You've got to come with me  
I can not stand this place  
We are crawling up the wall  
And I'll give in this way  
We had our chance to run  
And now I can't believe  
We're going all the way  
And now the shit's in place

My life, worry, lifeless story  
Give up beating  
I'll start bleeding

The life, the hurt, the pain, the hate  
The life, the hurt, the pain, the hate  
The life, the hurt, the pain, the hate  
Really can't fuck with me  
There's no where else to go

So I walk but seem to crawl  
For I'm giving in today  
Now I run into a wall  
Cause I can not find my way

You've got to come with me  
I can not stand this place  
We are crawling up the wall  
And I'll give in this way  
We had our chance to run  
And now I can't believe  
We're going all the way  
And now the shit's in place

What really do I have to follow?  
Nothing makes sense at all  
Taking something for nothing  
Watch me as I fall

I'm bringing me down

You've got to come with me  
I can not stand this place  
We are crawling up the wall  
And I'll give in this way  
We had our chance to run  
And now I can't believe  
We're going all the way  
And now the shit's in place.
