Korn, Love On The Rocks

Love on the rocks
Ain't no suprise
Just pour me a drink bitch, and I'll tell you some lies
Got nothing to lose, so you just sing the blues, all the time

I gave you my heart, gave you my soul
You left me alone here, with nothing to hold
Yesterday's gone, now all I want, is a smile

At first they say they want you
They really need you
Suddenly you find you' re out there, walking in the storm
And when they know they have you, then they really have you
Nothing you can do or say
You got to leave, just get away

We all know the song...

Need what you need, you can say what you wanNot much you can do when the feeling is gone
Baby blue skies above, but it's cold, when your love's on the rocks

At first they say they want you
They really need you
Suddenly you find you' re out there, walking in the storm
And when they know they have you, then they really have you
Nothing you can do or say
You got to leave, just get away

We all know the song...

Love on the rocks
Ain't no big suprise
Just pour me a drink bitch, and I'll cover your eyes
Yesterday's gone, and now all I want, is a smile
