

Korn, Make Me Bad (Clean)/In Between Days

Jonathan:

I never thought in my whole entire life

My wall is being dephismo and be happening right now.

This band that we chose is our guest totally got me through high school.

This band was the sound track of my life then and still is now.

I have nothing but mad, respect, and just to be on stage with these legends.

This is Robert Smith from The Cure.

Jonathan:

I am watchin' the rise and fall of my salvation

There's so much (...) around me

Such a lack of compassion

I thought it would be fun and games.

Robert Smith:

Fun and games.

Jonathan:

Instead, It's all the same.

Robert Smith:

It's all the same.

Jonathan:

I want something to do.

I need to feel the sickness in you.

Jonathan:

I feel the reason as it's leaving me, no, not again.

Robert Smith:

Make Me Bad.

Jonathan:

It's quite deceiving as I'm feeling the flesh make me bad.

Robert Smith:

Make Me Bad.

Jonathan:

I feel the reason as it's leaving me, no, not again.

Robert Smith:

Make Me Bad.

Jonathan:

It's quite deceiving as I'm feeling the flesh make me bad.

Robert Smith:

Yesterday I got so old

I felt like I could die

Yesterday away from you

It made me want to cry.

Both:

Go on, go on

Just walk away

Go on, go on

Your choice is made

Go on, go on

And disappear

Go on, go on

Away from here.

Robert Smith:
And I know I was wrong
When I said it was true
That it couldn't be me and be her
In between without you.
Without you.

Robert Smith:
Yesterday I got so scared
I shivered like a child
Yesterday away from you
It froze me deep inside.

Both:
Come back, come back
Don't walk away
Come back, come back
Come back today
Come back, come back
What can't you see
Come back, come back
Come back to me.

Robert Smith:
And I know I was wrong
When I said it was true
That it couldn't be me and be her
In between without you.
Without you.

Jonathan:
All I do is look for you
I need my fix, you need it too
Just to get some sort of attention, attention.
What does it mean to you?

Robert Smith:
What does it mean to you?

Jonathan:
For me, It's something I just do.

Robert Smith:
I just do.

Jonathan:
I want something
I need to feel the sickness in you.

Jonathan:
I feel the reason as it's leaving me, no, not again.

Robert Smith:
Make Me Bad.

Jonathan:
It's quite deceiving as I'm feeling the flesh make me bad.

Robert Smith:
Make Me Bad.

Jonathan:
I feel the reason as it's leaving me, no, not again.

Robert Smith:

Make Me Bad.

Jonathan:

It's quite deceiving as I'm feeling the flesh make me bad.

Robert Smith:

Come Back, Come Back.

Jonathan:

Does it make me bad?

Robert Smith:

Make Me Bad.

Jonathan:

Without you. (until end)
