

Kosheen, Cruel Heart

W don't have to talk
If it makes you cry
I can't help but notice
You could use a friend

It's a story of a boy who tried to be a man

Cruel heart
You won again
Cruel heart
You won again

We still need to hold you
We still need to show you

Cruel heart
You won again

Cruel heart
You won again

It's not easy to undo
The tragedy that's life
We can do nothing alone
But she always wants to fight

It's a story of a girl but where do we begin

Cruel heart
You won again
Cruel heart
You won again

We still need to hold you
We still need to show you
