

Kotoko, Dirty Boots

Here we go to another candle I know
All the girls there playin' on a jelly roll

Time to take a ride
Time to take it in a midnight eye
And if you wanna go
Get on below
Pinkin' out the day
Dreamin' out the crazy way
Finger on the love
It's all above

Dirty boots
Dirty boots

Dirty boots
Dirty boots

Everywhere it's six-sex-six by luck
A satellite wish will make it just enough
You be makin' out with a witch in a coffee truck

Time to rock the road
And tell the story of the jelly rollin'
Dirty boots are on
Hi-de-ho
Pinkin' out the black
Dreamin' in a crack
Satan got her tongue
Now it's undone

Dirty boots
Dirty boots

Dirty boots
Dirty boots

Dirty boots
Dirty boots

Dirty boots
Dirty boots
