

Kotoko, Leave me hell alone

Nothing to occupy my mind
Don't see the use in even trying
I don't mind
Falling Behind
Wasting my time
Spinning out of control
Don't see the use in trying at all
I'll stay the hell home
That's what the couch is for
(oh oh oh oh)(oh oh oh oh)

Don't care if it's Monday Tuesday or Wednesday
Thursday Friday Saturday or Sunday(oh,no...)
It doesn't make much difference to me at all
Fall or winter spring or summer
Down and out then pull me under(oh,no...)
It doesn't make much difference
so leave me the hell alone,lone,lone!
