So down
(I get up)

Theres no need to get down on ureself
Theres no need for me to scream and yell
So why you always gotta be that dude
puttin other people down, that dont make you kool
you simply look like a fool put ure foot in ure mouth
uplift one another thats whut we're talkin about
i say up cause theres no holdin me down
i keep my feet on the ground
I keep my friends all around

I get up (i get up)
I get up (i get up)
I get up (i get up)
Even when I'm feelin down
So down
(so down)
So down
(so down) x2

Misunderstood pourin it aint done row

Even when I'm feelin down
So down

So down
(so down) x2
