Daddy X:

Ooh, Ah, Achika

Pakelika's sparked the blunt in the back of the car

We rollin 5 deep to the neighborhood bar

Cars fishbowed now, we didn't get far

See red lights flash, cops know who we are

repetition built, superstar bud smokers

Cops is hittin quotas for pullin us over

Once again, let the routine kick in

Stash in the dash let the games begin

Piggy waddles over with that shit-eatin grin

But I'm, cool as hurk I ain't scared of him

Infact, I laugh, cause Pak's still smoking

Cop came up fast, tapped the glass, but it's broken

Grabbed the handle quick and the door flies open

Smoke bursts out

"WHAT ARE YOU GUYS SMOKING?"

"Skunk 1 is what we tokin!"

Daddy X (Chorus) x2:

OOooh Skunk One's in the chamber (Skunk One Skunk One)

It's the mind re-arranger (Skunk One Skunk One)

Its the make a friend a stranger

Spin me changer

D-Loc:

Gotta get some weed I was running out quick

I had a couple of rips left a little that was it

My sack was getting low, had a little bit a dough

Need to go see my bro so I can get some more

Straight indica purple that I got from 33rd

Gave me couple a pills and a DragonWorks shirt

Got a new bong, packed it up and hit it

"You like it D-Loc?"

I said "Yeah I'm with it"

Then I went to the store, grabbed a pack of blunts

Went back to my house and I rolled em up

Sat on my couch, drinkin beer, I got stoned

Called this bitch on the phone that I really wanna bone

Now I'm all blown and I'm staring at the ceiling

The fans going 'round and 'round I'm just 'illin

Smoked so much izzies' that it got me chillin

Ya'll know the name (D-Loc!) Ya'll know the feelin (D-Loc!)

Daddy X (Chorus) x2:

OOooh Skunk One's in the chamber (Skunk One Skunk One)

It's the mind re-arranger (Skunk One Skunk One)

Its the make a friend a stranger

Spin me changer

Me record changer

Johnny Richter:

I need a drink quick someones in danger

10 footer fulla skunk 1 in the chamber

Now let me explain exactly whats about to happen

Theres gonna be yackin, there probably be passin out

S-K-U-N-K F-U (FUCK YOU!)

So if you got the misconception, that we smokin the stress then

You should get a lesson like a bitch with a fuck

This ain't amateur hour, this is the bong show

If you didn't bring the weed then you gots to go

So if you got 8 ounces, come on down lets contest it

Your the next guest to test the best of any sessions

Richter, D-Loc, B Dubb and Big P, Daddy X and Lou so you ain't winnin see

I don't slang at shows never deal with strangers

But I always got a little skunk 1 for the chamber

Daddy X (Chorus) x2:

OOooh Skunk One's in the chamber (Skunk One Skunk One)

It's the mind re-arranger (Skunk One Skunk One)
