When the cat's on the prowl the dog's on the hunt (WOOF! WOOF!)

(Richter)  
Drivin' down the boulevard Friday night on the creep  
All I can think about is fuckin' gettin pussy in deep

(D-Loc)  
I'm like a dog in my yard with my bone I be roamin'  
Diggin hoes lookin hard, we be cat smokin.

(Richter)  
And it's gon' tell all the dudes runnin free in the streets  
smokin on a joint while I'm gettin' head up in the back seat

(D-Loc)  
let the pussycat creep down the alley gettin lost  
I'm a bounty hunter, West Coast, and my name ain't gold

(Richter)  
And right now I'm out on bail so I'm chasin some tail,  
Kittycats callin my name, blowin wind in my sails,

(D-Loc)  
leavin letters in the mail, keepin all your kittens hungry  
And I got them (super snaps), got drinks for everybody, I say

(Richter)  
everybody come on, come on, come and get a taste

(D-Loc)  
everybody come on, come on if you down to blaze.

(Richter)  
light it up, always smokin' when I'm on the hunt,  
cause when the cat's start purrin' then the dogs'll come

When the cat's on the prowl the dog's on the hunt (WOOF!)

(D-Loc)  
Step one, this is how the game's played,  
make sure you've got your backup up planned out and OK'd

(Richter)  
Step two keep your phone in your pocket on vibrate  
Cause you ain't tryin to miss a call when its startin' to get late.

(D-Loc)  
Step three, this is what I gotta say,  
you gotta keep it all quiet, put that shit on the string

(Richter)

Step four, always lock the front door,  
don't want somebody walkin in when you're naked fuckin on the floor.

(D-Loc)  
Step five, gotta keep it all alive,  
hit that shit from the backside, old timers do or die

(Richter)  
step six, now it's startin' to get serious,  
always use a condom when you're runnin up on a new bitch (yeah)

(D-Loc)  
step seven, all dogs go to heaven,  
I'll be up in the aftermath, still representin

(Richter)  
As for step eight, you can kick the complainers,  
and that's comin straight from D-Loc and Johnny Richter the greatest!

When the cat's on the prowl the dog's on the hunt (WOOF!)  
When the cat's on the prowl the dog's on the hunt (WOOF! WOOF!)

(Richter)  
You know I know a lot of females that be playin' the game,  
See, cats and dogs keep it dirty as we (one and)(run it) the same.

(D-Loc)  
So don't ever get played, if the one gonna play it  
you the one that's listenin' and I'm the one sayin' things.

(Richter)  
So listen up close go get an job and pay attention,  
don't ever get it twisted we the kingspade henchmen.

(D-Loc)  
Oh, did I mention? We got this shit locked down,  
fuck what y'all think cause y'all cats be fallin down.

(Richter)  
And we be comin up we keep on climbin the ladder,  
on a mission to win the game ain't got no time for chitter-chatter.

(D-Loc)  
So that's the way the game's played, do it right  
when the dog fights the cat the dog the dog wins every time!

When the cat's on the prowl the dog's on the hunt (WOOF!)  
When the cat's on the prowl the dog's on the hunt (WOOF! WOOF!)
