

# Koufax, Minor Chords

Until you loosen up  
We'll all be having a good time  
Without you

It has nothing to do with us  
But rather you're too uptight  
To have fun

Why is it every group has one  
I'm getting ready for the day when this is just a joke  
And we can laugh out loud thinking about back home  
And all the time we spent driving in down this road  
Still, nothing's changed I know

With all the work that's been done  
There still isn't the trust here  
To bank on

And someone has to be drunk  
For us to pass the week nights  
So what's wrong

Why is it every night has some  
I'm getting ready for the day when this is just a joke  
And we can laugh out loud thinking about back home  
and all the time we spent driving down this road  
Still nothing's changed I know

We traveled for the right town  
To be let down  
Yea and I'm still waiting for the right time  
For a minor chord

Why is it everyone's song needs one  
I'm getting ready for the day when this is just a joke  
And we can laugh out loud thinking about back home  
All the time we spent driving down this road  
Still nothing's changed at...  
No, nothing's changed at all

So baby hold on to me

What ever will be will be
