

Kra, Longest Highway

Lost in the Silence
Surrounded By Daydreams
Holding That Someone That's Holding My Heart
Thrilled With the Memory
Of the Smile That You Gave Me
Gives a Close Feeling
Though We're Far Apart
The Longest Highway Runs Between Us
Though You're Just a Heartbeat Away
When I Think of You, My Heart Knows no Difference
I've Got You With Me Every Day
If I Could Be Anywhere
I'd Truly Be With You
Then Once Feel the Embrace of Your Hand in Mine
The Longest Highway
Can Sure Seem Forever
Through Every Daydream
I Feel Closer Each Time
The Longest Highway Runs Between Us
Though You're Just a Heartbeat Away
When I Think of You, My Heart Knows no Difference
I've Got You With Me Every Day
