

Kreator, Strongest Of The Strong

No messiahs there`s just us, among corpses of patriarchs
No more heaven, only this, lives led with an iron fist as we live through it stealing fire from the kings

Oh!
Strongest of the Strong
Curse their world
Curse them all
We will rise they will fall
Oh!
Strongest of the Strong

Curse their words curse their lies we will live they will die
There`s no history, only now, among rats below the vultures
Transformation from within this death leads to awakening stealing fire from the kings, with an iron f

Oh!
Strongest of the Strong
Curse their world, curse them all, we will rise they will fall
Oh!
Strongest of the Strong
Curse their words curse their lies we will live, they will die
Strongest of the strong, Strongest of the Strong, Strongest of the strong, Strongest of the Strong
Oh! Strongest of the Strong, Strongest of the strong, Strongest of the Strong

Burn the thrones
Strongest of the Strong Curse their words curse their lies we will live, they will die
Hahahahaha
