

# Kreator, Winter Martyrium

(M: Petrozza/Gosdzik/Fioretti/Reil L: Petrozza c Dark Wings)

(We thought we could use this live recording from Lichtenfels, Germany '92, to give you an impress

Hypnotized by the masses  
And a future torn apart  
Angony, the final conflict  
Hatred yet ignored  
Love is colder than death  
And in coldness we'll remain  
Everlasting lies in chains

Destroying dreams against all norms  
They spread it all across the earth  
Dominion without a form  
Winter martyrrium

Dead civilization on a mission  
Lead by gods  
Etiquette creates a cause  
To turn your back from life  
Secrets never told before  
Construct culture absurd  
Hit you like a shellshock  
As integrity has died

Destroying dreams...

Wide awake to the end  
Wide awake to the end

Crisis and perpetual incest  
Performance of a nameless act  
Sadness takes your concentration  
Individual cages that we face

Destroying dreams against all norms  
They spread it all across the earth  
Dominion without a form  
Winter martyrrium for masses  
And a future torn apart  
Agony, the final conflict  
Hatred yet ignored
