

# Krezip, Bored

I sleep in the morning  
I'm lying in all day  
There's nowhere to go to  
Or should I stay away

O I'm getting by  
Getting by  
Wasting my time  
I don't know why

I can't take it anymore  
I don't believe I've ever been this bored  
It really doesn't make me happy  
Still I'm begging for more  
But no more  
I'm so bored

I'm down on the couch  
And the radio is on  
I wish I had not heard  
Them play our favourite song

I'm getting by  
Getting by  
Wasting my time  
Don't ask me why

I can't take it anymore  
I don't believe I've ever been this bored

It really doesn't make me happy  
Still I'm begging for more  
But no more  
I'm so bored

O I'm so bored  
Yeah I'm so bored  
Bored, bored  
I don't think I don't think  
I can't take it anymore  
I don't believe I've ever been this bored  
It really doesn't make me happy  
Still I'm begging for more  
I can't take it anymore  
I don't believe I've ever been this bored  
It really doesn't make me happy  
Still I'm begging for more  
But no more  
I'm so bored

O I can't take it  
O I'm so bored  
O I'm so bored  
Yeah I'm so bored  
O I'm so bored  
So bored  
O I'm so bored  
Yeah
