

# Krezip, Don't Want You

When I look at how it should be  
After all the time we spend together  
Who would have ever thought I would see  
That we would have to pull apart

Cause nothing makes sense like before  
you're not who you were anymore  
so I've got to say this

Don't say you're misunderstood  
Don't scream I can hear you good  
Don't spread shit that just ain't true  
Step aside cause I don't need you  
Get out cause I don't want you

Do you like it on your own now  
Everything you had going down the drain  
You'll get what's coming to you anyhow  
Once you turn around there's no way back

Cause nothing makes sense like before  
you're not who you were anymore  
so I've got to say this

Don't say you're misunderstood  
Don't scream I can hear you good  
Don't spread shit that just ain't true  
Step aside cause I don't need you  
Get out cause I don't want you

Well it's over now  
And you can't change a thing  
Yeah it's over now  
You can't change it

Don't say you're misunderstood  
Don't scream I can hear you good  
Don't spread shit that just ain't true  
Step aside cause I don't need you  
Get out cause I don't want you  
We Don't Want You
