

# Krezip, Let It Go

being alone there's no one you can trust  
you wonder if they know where you have been last night  
you know they're busy and that won't make you cry  
but they don't care and that's hard  
searching for warmth, you've never known  
being with girlfriends who helped you through  
you've had some guys slept with some  
but they don't care and that's hard  
won't come, won't be if you don't believe  
try to see it all some day, see it all some day  
won't come, but you will see that you have to let it go  
let it go, let it go, yeah  
your mother knows believe me girl  
but she has never learned to give  
you have to do it on your own  
and that's hard, yeah  
and that's hard  
won't come, won't be if you don't believe  
try to see it all some day, see it all some day  
won't come, but you will see that you have to let it go  
let it go, let it go  
let it go, let it go, yeah  
no it won't come no  
but always remember  
the things you've once told me  
the things you've once told me, no  
don't you get it, girl  
girl, girl, yeah, girl  
girl, girl, girl, girl
