

Kris Kristofferson, Someone Loves You Honey

[Brenda Lee]

I wanna share your life every minute every day and night
And I want you to know that whatever you do wherever you go
Remember someone loves you honey no matter what I'll be your girl
Someone loves you honey more than anything in the world

I'm glad that I'm the one that you come to when you need someone
That's what my love is for it's a shoulder to lean on a port in the storm
Remember someone loves you honey...

Oh someone loves you honey no matter what I just wanna be your girl
Someone loves you honey more than anything in the world
Oh someone loves you honey no matter what just let me be your girl
