

# Kris Kristofferson, Song I'd Like To Sing

(na na na na na na....)

Theres a song Id like to sing  
Do you know the song I mean?  
It dont always sound the same  
But its always good to sing.

Maybe it dont mean a thing  
Its a pretty little tune.  
Its a song Id like to sing  
And Id love to sing with you.

And we can get to know each other  
Like a sister and a brother  
Like a father and a mother  
Like a woman and a man

We can sing along together  
Just enyoying til its over  
It dont need to last forever  
If we want it to it can.
