

Kris Kristofferson, Song I'd Like To Sing

(na na na na na na na....)

Theres a song Id like to sing
Do you know the song I mean?
It dont always sound the same
But its always good to sing.

Maybe it dont mean a thing
Its a pretty little tune.
Its a song Id like to sing
And Id love to sing with you.

And we can get to know each other
Like a sister and a brother
Like a father and a mother
Like a woman and a man

We can sing along together
Just enjoyin til its over
It dont need to last forever
If we want it to it can.
