

Kristin Hersh, Mama's Gonna Buy

Mama's gonna buy him a little lapdog
Mama's gonna buy him a little lapdog
Mama's gonna buy him a little lapdog
Put it in his lap when she goes off
Come up horsey, hey, hey
Come up horsey, hey, hey
Go to sleep and don't you cry
Mama's gonna make you an apple pie
Come up horsey, hey, hey
Come up horsey, hey, hey
I'm gonna buy you a little lapdog
I'm gonna buy you a little lapdog
I'm gonna buy you a little lapdog
Put it in your lap when I go off
Come up horsey, hey, hey
Come up horsey, hey, hey
Go to sleep and don't you cry
I'm gonna make you an apple pie
Come up horsey, hey, hey
Come up horsey, hey, hey
Come up horsey, hey, hey
Come up horsey, hey, hey
