

Kristine Blond, Love Shy (Electrique Boutique Vo

I'm on the run and I wanna stay
What kind of a life I'll be leaving
I just gotta watch what your stealing
Cause when I see you I wanna hide
A little afraid of the feeling
One look at you boy and I'm dreaming

And deep inside this love calling out your name
But I'm not the kinda girl who thinks its just a game we play
Don't think that I don't wanna get in love with you
Cause all I wanna do
Won't u try to understand

Hey Hey Hey Hey Hey Hey

Thinking about you
I'm a little bit loveshy baby
Got to, got to, got to, gotta be sure
What my life will be coming
I won't b loveshy anymore

I'm a little bit loveshy baby
Baby
I'm a little bit loveshy baby
Baby
I'm a little bit loveshy baby
Baby
I'm a little bit loveshy baby
Baby

Hey Hey Hey Hey Hey Hey

Thinkin about you
I'm a little bit loveshy baby
Got to, got to, got to, gotta be sure
What my life will be coming
I won't be loveshy anymore
