

Krokus, Hellraiser

Aaw... gonna take it to the limit... yeah!

Come on...

I've been pushin' my load uphill

And my back is bent

Now I'm lookin' for a thrill

'cause the juice ain't spent

Slippin' in for satisfaction

Gimme a piece of your sweet love action

'Fore the night is through...

Gonna rescue you

'cause I'm a hellraiser

funchaser

hellraiser

boneshaker!!

You sink me into oblivion

When you let me in

You make me feel like one in a million

When you moan'n'grin... aw!

Forget about the neighbours

Lettin' it all hang out

We're rockin' this joint

I love to hear you scream and shout...

aaaawww!!

I'm a hellraiser

funchaser

hellraiser

boneshaker!!

No one's beggin' for mercy... slipping and sliding' it in

Aww alright!

[Chorus 3x]

Come again... baby

Mmmmmm gonna slide it right in... aww!
