

# Krokus, Throwing Her China

Yeah!

I saw her walkin' down the street  
My heart jumped up and missed a beat  
Boy she looked sharper than an arrow  
Her skirt too short and really narrow

No risk, no gain  
But I must have made a pass too plain  
Her hand came flyin' and it really was a shame!

Well I guess she was throwin' her china  
With a steamy temper no one could stop  
Yes I guess she was throwin' her china  
Too sexy when she blows her top!

Next day I saw her in the park  
If I was a dog I would have barked!!  
In a pink bikini by the lake  
Her perfect body lay to bake

No risk, no gain  
But I must have blocked her sun away  
Cold ice came flyin' and it landed on my face!!

Lyin' in the sunshine by the lake  
The girl is givin' me a heartache  
No risk, no gain  
I'm runnin' out of cards to play  
Another time, another place  
I just gotta win the race!!

Too sexy when she blows her top  
Watch out, there she blows
