Yo! Check..check y'all, one two three  
And I won't bother you if you don't me

With the funk in the tounge, Asian punk will get you  
stung like a bee

I started with a loop, then a shoop,damn I'll shoot  
With hip hop,I pump up, pump up I'll never stop  
It 's time to get rough gov. had enough of sucking up  
To the big fat bum, listen up here I come

Never can stand of the damn man hypocrite  
Heck tried to be nice though we hated it  
Yeah we're KRUIsing down now and we're up with a roar  
It's time to hardcore time to level the score  
Ain't no rebellious act, just trying to straight out  
the fact  
Had enough of the crap and hommies don't take that  
Enuff ezz enuff....ezz ezz enuff (3x)

Yo! I'm loaded up son with the second episode  
So try to take note what I quote, vote  
Power to the people and full democracy  
Nobody can decide what I can hear or see  
I'm rapping up hard, yeah I admit it baby  
Ain't down with the clowing around, soft and sissy  
Try to make a buck, fooling all the kiddies  
Maximum disgrace to the Rappers society

Back to the subject, hip hop and new jack  
Another day, another rapper, another concept  
So what? You can call it what you want it to be  
But stop shooting me down, we're all the same you see  
Brothers and sisters, shaking to the boogie woogie  
Ain't taking no more bull, yeah that's right baby  
Ooh Gee...Ain't down with that bad mouth crap  
Coz enuff ezz enuf and homies don't take that  
Enuff ezz enuff....ezz ezz enuff (3x)  
Enuff ezz enuff ezz enuff ezz enuff

Run, run unless you dare to confront  
Next on the hit list I'm never missed  
Hit between the eyes with a real hard core  
But I soon show them how its done  
I'm a straight hype rapper ain't like no other  
Ain't doing drug no booze without a doubt  
Never make a verdict just by the way a buddy look  
But I'm booked and cooked like a crook uhhhhh....

Ram with a bang with the Asian punks  
When I'm kicking out the strength and a wham bam thank  
you maam  
The final check on the mic, mack  
Cause enough is enough and hommies don't take that  
Enuff ezz enuff....ezz ezz enuff (3x)  
Enuff ezz enuff ezz enuff ezz enuff

Ohh yeah... This one is dedicated to the hardcore rap  
brothers and sisters who's been hanging tough when the  
time is hard  
You know what I'm saying

A special shout for you all for sticking together  
And let's hope we get more respect  
The respect that we deserve....peace
