

# Krypteria, I Can't Breathe

"Stupid me, why did I sign ?" I ask myself as here I find myself sinking in the quicksand  
Have I not done enough for you ? Now that you've taken the best of me we're even so why don't you  
Read what you signed - it tells you that you relinquished all your rights  
I can't breathe, I'm in trouble - I never knew that I could bite off more than I can chew  
I can't breathe, burst my own bubble - I'm not your fool I'm through with dancing to your tune  
We are through

How can I have been so blind to fall for all your pompous lines and embrace you only to get stabbed  
You nailed your victim to the wall and put me on display for all to see - I'm sick of living life behind the  
Read what you signed - it tells you that you relinquished all your rights  
I can't breathe, I'm in trouble - I never knew that I could bite off more than I can chew  
I can't breathe, burst my own bubble - I'm not your fool I'm through with dancing to your tune  
We are through
