

KSHMR, Tears On The Dancefloor (feat. Hannah

I'm gonna dance
Till I feel my feet no more
I'm gonna love
Like I never loved before
And when you're gone
I'm gonna leave all of my tears
On the dancefloor
Don't wait for me, don't wait for me

I'm gonna dance
Till I feel my feet no more
I'm gonna love
Like I never loved before
And when you're gone
I'm gonna leave all of my tears
On the dancefloor
Don't wait for me, don't wait for me, oh

You left me sleepless
Wrapped up in heartache
Found strength in weakness
Found light in a dark place

Hear your name, see your face
It don't hurt me the same
'Cause I'm over the worst
Yeah I'm over the pain
Hear the beat of my heart
I believe I can start
To forget you, yeah

I'm gonna dance
Till I feel my feet no more
I'm gonna love
Like I never loved before
And when you're gone
I'm gonna leave all of my tears
On the dancefloor
Don't wait for me, don't wait for me

I'm gonna dance (I'm gonna dance)
Till I feel my feet no moree
I'm gonna love
Like I never loved before
And when you're gone (And when you're gone)
I'm gonna leave all of my tears
On the dancefloor
Don't wait for me, don't wait for me, oh

I'm gonna leave all my tears on the dance floor
Leave all my tears on the dance floor
Don't wait for me, no
