

# KT Tunstall, Girl And The Ghost

The girl and the ghost  
Sit in the corner  
The girl and the ghost  
Seems they have a lot to say  
The girl and the ghost  
Haven't seen each other in three years  
The girl and the ghost  
Feel simple seconds slipped away  
Slipped away

The ghost and the girl  
Commonly connected by something bigger  
A phenomenon that sets off the eternal trigger  
That lets the light through that usually goes  
Around and around and around

The girl and the ghost  
Meet in the corridor  
The girl and the ghost  
They touch fingers and walk right through  
The girl and the ghost  
Feel so familiar and fearless  
The girl and the ghost  
Know each other like other people do, whoa  
Other people do  
Other people do

The ghost and the girl  
Commonly connected by something bigger  
A phenomenon that sets off the eternal trigger  
That lets the light through that usually goes...  
Ghost and the girl  
Commonly connected by well something bigger  
A phenomenon that sets off the eternal trigger  
That lets the light through that usually goes  
Around and around and around  
Usually goes  
Around and around and around  
Usually goes around
