

# KT Tunstall, Saving My Face

See the look on my face  
From staying too long in one place  
But every time I try to leave  
I find I keep on stalling

Feel like a big old stone  
Standing by a strength of my own  
But every time the morning breaks  
I know  
I'm closer to falling

I'm all out of luck  
All out of faith  
I would give everything  
Just for a taste  
But everything's here  
All out of place  
Losing my memory  
Saving my face  
Saving my face

I'm listening to what you say  
Even though I look the other way  
You could never understand  
The feeling of what I'm needing

I'm all out of luck  
All out of faith  
I would give everything  
Just for a taste  
But everything's here  
All out of place  
Losing my memory  
Saving my face  
Saving my face

(Ooo-oo, Ooo-oo, Ooo-oo, Oh-yeah)  
(Ooo-oo, Ooo-oo, Ooo-oo, Oh-yeah)  
(Ooo-oo, Ooo-oo, Oooh-Oh)

Leave it all to me  
I will do the right thing  
Maybe I'll be everything I need  
Leave it all to me  
I will do the right thing  
Maybe I'll be everything I need  
Leave it all to me  
I will do the right thing  
Do the right thing \*(no 3rd one)

I'm all out of luck  
All out of faith  
I would give everything  
Just for a taste  
But everything's here  
All out of place  
Losing my memory  
I'm losing the best of me

I'm all out of luck  
All out of faith  
I would give everything

Just for a taste  
But everything's here  
All out of place  
Losing my memory  
And saving my face  
Saving my face

Saving my face, Saving my face (Ooo-oo, Ooo-oo, Ooo-oo, Oh-yeah)

Saving my face (Ooo-oo, Ooo-oo, Ooo-oo, Oh-yeah)

All out of faith, I would give everything, Just for a taste (Ooo-oo, Ooo-oo, Ooo-oo, Oh-yeah)

All out of place, Losing my memory, And saving my face (Ooo-oo, Ooo-oo, Ooo-oo, Oh-yeah)
