

Kuch kuch hota hai, Yeh Ladka Hai Deewana

Ye kaisa ladka hai
Ye kaisi ladki hai
Iska main kya karoon
Isse main kya kahoon
Ye ladta hai, aa ha
Akadti hai, he he
Jhagadta hai,
Bigadti hai
Deewana hai,
Deewani hai
But he's your best friend yaar
But she's your best friend yaar
Hay hay re hay ye ladka
Hay hay re hay
Karta naadaniyaan, Kyon poocho to hay
Kabhi ye humse ladta hai
Kabhi jhagadta hai
Koi paas iske na aana
Ye ladka hai deewana, hai deewana
deewana... deewana... deewana
Ye ladka hai deewana, hai deewana
deewana... deewana... deewana
Hay hay re hay ye ladki
Hay hay re hay
Karti naadaniyan kyon poocho to hay
Kabhi ye humse ladti hai
Kabhi akadti hai
Karo door se chedkhani
Ye ladki hai deewani, hai deewani
deewani... deewani... deewani
Ye ladki hai deewani, hai deewani
deewani... deewani... deewani
Iski baatein, yehi jaane
Koi bhi to jaane na
Aisi waisi, kaisi hai ye
Koi pehchane na
To bhago, O yaaron,
Kar na de shaitani
Ye ladki hai deewani,
Hai deewani
deewani... deewani... deewani
Ye ladka hai deewana
hai deewana
deewana... deewana...deewana
Aate jaate, chede humko,
Ki maane na ye kehna
Dekho dekho, paagal hai ye,
Han bach ke zara rehna
Ye aisa hai phir bhi
Apna isko maana
Ye ladka hai deewana,
Hai deewana
deewana...deewana...deewana
Ho... ye ladki hai deewani,
Hai deewani
deewani...deewani...deewani
Han... hay hay re hay ye ladka
hay hay re hay
Karti naadaniyan kyon poocho to hay
Kabhi ye humse ladti hai
Kabhi akadti hai
Karo door se chedkhani
Ye ladki hai deewani,
Hai deewani

deewani..deewani...deewani
Ye ladka hai deewana,
Hai deewana
deewana...deewana...deewana
