

# Kumbia Kings, You Don't Love Me

Girl I can't believe you tried to play me for fool  
I almost didn't see this one coming (You don't love me)

Chorus:

Girl don't tell me no more lies  
pretending that your satisfied  
baby I know your love's not true  
quit trying to playing me for a fool  
girl you know that you are wrong  
your here one minute and the next your gone  
I'm not blind baby I can see  
so why don't you admit  
you don't love me

You called me on the phone  
saying you'll be late coming home  
you said your boss is making you work late  
but I don't believe it  
cause when I called your office  
so that I could speak with you  
you know what they told me  
they told me that you quit last week  
and how can you explain  
that when we make love  
your calling out somebody else's name  
and when we kiss your eyes are open wide  
and they can't hide what you feel inside baby

(Chorus)

I saw you on the street  
at the place we were supposed to meet  
but you were with another man  
I couldn't believe it  
so I asked your friends  
who the hell was he(who was he)  
you know what they told me  
it was the guy that you met last week  
and now I can explain  
why when we make love  
your calling out somebody else's name  
and when we kiss  
your eyes are open wide  
and they can't hide what you feel inside baby

Girl don't tell me no more lies  
pretending that your satisfied  
baby I know your love's not true  
quit trying to playing me for a fool  
girl you know that you are wrong  
your here one minute and the next your gone  
I'm not blind baby I can see  
so why don't you admit  
You played with my heart  
and try to play me for a fool (yea)  
and like the saying goes,  
what goes around comes around  
and one day, you'll know how exactly how it feels (how it feels ooh)

(Chorus)
