

# Kumbia Kings, You Love Me

Girl, I can't believe you tried to play me for a fool, I almost didn't see this one coming, you love me.

Girl don't tell me no more lies  
Pretending that you're satisfied  
Baby I know your love's true  
Quit trying to playing me for a fool

Girl you know that you are wrong  
You're here one minute and the next you're gone  
I'm not blind baby I can see  
So why don't you admit  
You love me

You call me on the phone  
Sayin' you'll be late coming home  
You say your boss is making you work late  
But I don't believe it  
Cause when I called your office  
So that I could speak with you  
You know what they told me  
They told me that you quit last week

And how can you explain  
That when we make love  
You're calling out somebody else name  
And when we kiss your eyes are open wide  
And they can't hide what you feel inside baby

Girl don't tell me no more lies  
Pretending that you're satisfied  
Baby I know your love's true  
Quit trying to playing me for a fool

Girl you know that you are wrong  
You're here one minute and the next you're gone  
I'm not blind baby I can see  
So why don't you admit  
You love me

I saw you on the street  
At the place we were supposed to meet  
But you were with another man  
I couldn't believe it  
So I asked your friends  
Who was he  
You know what they told me  
It was a guy that you met last week

And now I can explain  
Why when we make love  
You're calling out somebody else name  
And when we kiss your eyes are open wide  
And they can't hide what you feel inside baby

Girl don't tell me no more lies  
Pretending that you're satisfied  
Baby I know your love's true  
Quit trying to playing me for a fool

Girl you know that you are wrong  
You're here one minute and the next you're gone  
I'm not blind baby I can see  
So why don't you admit

You played with my heart  
Tried to play for me for a fool yeah  
And like the saying goes  
What goes around comes around  
And one day you'll know exactly how it feels

How it feels

Girl don't tell me no more lies  
Pretending that you're satisfied  
Baby I know your love's true  
Quit trying to playing me for a fool

Girl you know that you are wrong  
You're here one minute and the next you're gone  
I'm not blind baby I can see  
So why don't you admit

You Love Me.
