

Kurt Carr, Hold On Be

Have you ever felt like giving up and throwing in the towel
Have you ever felt so discourage
You said, what's the use in praying anyhow

Has the devil ever attacked you when you were already feeling low
And you said to yourself now hold it
How much lower can I go

Then the Lord spoke to you in the stillness of the night
And He said if trust in me I'm gonna make everything alright

(Chorus I)

Just keep on holding on
When the world says you can't make it
Keep on holding on
When you feel like you can't take it
Just keep on holding on
No matter how down you get
Just hold on be strong you can make it

(Chorus II)

Just keep holding on
When your problems seem hard to bear
Just keep holding on
When it seems nobody cares
Just keep holding on
No matter how down you get
Just hold on be strong you can make it

The road may not be easy no one said it would be
But keep on holding on till the victory

Everything is gonna be alright if you just hold through the night

Joy's gonna come in the morning light
You're gonna make it

Hold on be strong you can make it
