

# Kurt Carr, No One Else

Every man must use the gift he's given  
Every man must do the will of God  
You were created for a reason and chosen for a season  
So never feel your gift is just too small  
Never feel that what you have is least of all

(Chorus)

For no one else can preach your sermon  
No one else can sing your song  
No one else could ever do what God has chosen you to do  
Your gift was given from above  
A blessing from the Father's love  
So use your gift to the glory of God

No one God created is quite like you  
No one earth is quite the same  
In the body of Christ there's a need for your life  
There's a work, there's an assignment just for you  
There's a purpose for that gift that lies in you

(Repeat Chorus)

Never feel like you're not good enough  
Never feel your gifts are too small

(Repeat Chorus)

I'll go, I'll go Lord for You glory

I'll sing, I'll sing Lord for Your glory

Use me, use me Lord for Your glory

Testify, testify Lord for Your glory
