

# Kurt Nilsen, Push Push

You have been so good for me  
I will change my ways for you  
You can call and I'll come running  
You know my feelings are warm and true

You've got me wrapped around your finger  
I'd surrender it all to you  
You got the power I've got the need  
I hate to say it  
I'm down on my knees

(so don't you)  
Push Push  
You break me in your stride  
Push Push  
You'll cut me down to size  
Push Push  
Please don't throw the dice  
Push Push  
Push Push

I'll be the angel,  
I'll be the saint  
I will walk a thin line for you  
You pull my strings,  
I'll feel the strain  
Cut me loose,  
I will break the chain

(Don't you)  
Push Push  
You break me in your stride  
Push Push  
You'll cut me down to size  
Push Push  
Please don't throw the dice  
Push Push  
Push Push

Though now I'm on your side  
Sometimes you'll let me stay away  
To be on my own  
I'd raise myself to meet your needs  
But I'm still on your side

Push Push

(Baby don't you)  
Push Push  
You break me in your stride  
Push Push  
You'll cut me down to size  
Push Push  
Please don't throw the dice  
Push Push  
You know I'm on your side

Push Push  
You break me in your stride  
Push Push  
You'll cut me down to size  
Push Push  
Please don't throw the dice  
Push Push

You know I'm on your side
