

Ky-Mani Marley, Royal Vibes

Royal Vibes - Ky-Mani Marley

She say
And she say
And she say yea, yea, yea
She say
And she say
And she say

AND SHE SAY
Shes never been loved like this before
Shes never been touched like this before
Shes never felt feelings like this before
Shes in love with me
Yet she say

Shes never been loved like this before
Shes never been touched like this before
Shes never felt feelings like this before
Shes in love with me
And she say

She love me for the royal vibes wha me bring
She love me for the earthful songs da wha me sing
She say she love me for, inna the bed and we make love she hear the angels dem a sing
Yet she say

She love me for this rasta life Im living
She love me for, she love the way ay love mey king
She say she love me for inna dey moments of mey jah ay burn
She love mey gangsta rhythm
Then I say

Gyal I never bring you no harm
Gyal I never dis you no wrong
Gyal youre my good luck charm
Youre the queen and Im the king
Then she say

Shes never been loved like this before
Shes never been touched like this before
Shes never felt feelings like this before
Shes the queen and Im the king
Yet she say

Shes never been loved like this before
Shes never been touched like this before
Shes never felt feelings like this before
Shes the queen and Im the king
Yet

She would love to seize the moment for shes longing for my touch
Shes scared because in the past it seemed so much
She still cares but to be with me
She settle down so much
What good is to be together if she refused to give her trust
And I said baby please forgive me for the ??????I cause u
In the my younger days my ego got in the way and I did u so wrong
Still I loved yuh, youre my empress youre my good
luck charm
So my word to you from this moment on IS

Gyal I never bring you no harm
Gyal I never dis you no wrong
Gyal youre my good luck charm
Youre the queen and Im the king
And she say

Shes never been loved like this before (shes never been)
Shes never been touched like this before (she say shes never been)
Shes never felt feelings like this before
Shes the queen and Im the king
And she say

Shes never been loved like this before (shes never been)
Shes never been touched like this before (she say shes never been)
Shes never felt feeling like this before
Shes the queen and Im the king

Pause(1, 2, 3)
beat picks up again and ky-mani continues to sing

She love me for the royal vibes that wha me bring
She love me for the earthful songs da wha me sing
She say she love me for, when we inna the bed and we make love she hear the angels dem a sing
Yet she say

She love me for this rasta life Im living
She love me for, she love the way ay love mey king
She say she love me for inna the dey moments of jah mey burn
She love mey gangsta rhythm
Then I say

Gyal I never do you no harm
Gyal I never dis you no wrong
Gyal youre my good luck charm
Youre the queen and Im the king
Then she say
