

# Kyla, Let The Love Begin

(feat. Jerome John Hughes)

[Male & Female:]  
Woh Ho Ho Ho... (Woh...)

[Male:]  
Look At Us  
Ain't It Funny  
Is It Just Beginner's Luck  
Maybe

[Female:]  
Ooh, With Just One Touch  
Two Diff'rent People  
From Such Diff'rent Worlds Apart  
Has Touched Each Other's Hearts  
Like Candles In The Dark

[Male & Female:]  
If It's Time For Us  
We've Gotta Take It  
Take The Chance  
The Chance To Make It

[Chorus: Male & Female:]  
Now  
Let The Love Begin  
Let The Light Come Shining In  
Who Knows Where The Road Will Lead Us Now  
Look At What We've Found  
Make This Moment Turn Our Hearts Around  
It May Never Come Again  
Let It In  
Let The Love Begin

Ooh..

[Female:]  
Here We Are  
So Close Together  
I Can Feel The Fire Start Between Us

Ooh...

[Male & Female:]  
We've Come This Far (We've Come This Far)  
Too Far To Stop It Now

[Male & Female:]  
If This Is Meant To Be (It's Meant To Be)

[Male & Female:]  
A Chance For You And Me (For You And Me)  
We Found Our Destiny

[Male & Female:]  
Now We're Lookin' At A New Forever  
Make This Dream Come True Together

[Chorus 2: Male & Female]  
Now  
Let The Love Begin  
Let The Light Come Shining In  
Who Knows Where The Road Will Lead Us Now

Look At What We've Found  
Make This Moment Turn Our Hearts Around  
It May Never Come Again  
Let It In  
Let The Love Begin

Oh... Woh... Ooh...

[Chorus 3: Male & Female]  
Now  
Let The Love Begin  
Let The Light Come Shining In  
Who Knows Where The Road Will Lead Us Now  
Look At What We've Found  
Make This Moment Turn Our Hearts Around  
It May Never Come Again (Never Come Again)  
Let It In  
Let The Love Begin
