

Kylie Minogue, Can't Stop Writing Songs About You

I don't wanna write another love song
Since all of the love's gone
She's gone away yeah yeah
So maybe I'll sing something different
But would you listen
To what I say

Coz it's just no use I'm making you my thing
If it ain't about you then I've run out of words to say
Yeah yeah yeah yeah yeah yeah/yes?

I just can't stop writing songs about you
I just can't stop writing songs about you
I just can't stop writing songs about you
Maybe I don't want to
Maybe I don't want to

I don't even know what I'm thinking
And I'm not even drinking
But I'm drunk on you you you
You're the rhythm and the groove and you're the sweetest melody
Baby I just can't dance unless you're dancing right here next to me

Coz it's just no use I'm making you my thing
If it ain't about you then boy it ain't the same
Oh no no no no no

I just can't stop writing songs about you
I just can't stop writing songs about you
I just can't stop writing songs about you
Maybe I don't want to
Maybe I don't want to

Every single night every single night
Always on my mind always on my mind
Only wanna write only wanna write
Only wanna write songs about you (Oh)

I just can't stop writing songs about you (songs about you yeah)
I just can't stop writing songs about you (songs about you yeah)
I just can't stop writing songs about you
Maybe I don't want to
Maybe I don't want to

Can't stop can't stop
Oh no
Can't stop can't stop
Oh no no no no
Can't stop can't stop
Oh no
Can't stop can't stop
Oh no no no no
