

# Kylie Minogue, Confide In Me

I stand in the distance  
I view from afar  
Should I offer some assistance  
Should it matter who you are

[Bridge:]  
We all get hurt by love  
And we all have our cross to bear  
But in the name of understanding now  
Our problems should be shared

[Chorus:]  
Confide in me, confide in me

I can keep a secret  
And throw away the key  
But sometimes to release it  
Is to set our children free

[Bridge]

[Chorus 2x]

Stick or twist the choice is yours  
Hit or miss what's mine is yours  
Stick or twist the choice is yours  
Hit or miss what's mine is yours

[Bridge]

[Chorus 4x]
