

Kylie Minogue, I Am The One For You

Hoo
Hoo

I am the one for you.

The possibilities are endless
The number of things that you could do to me
Baby you can drive me senseless
Make me what you want me to be.

Cos' you take me to the (take me) highest mountain (take me)
Take me to (take me) the deep blue sea (take me)
You can't get enough of my kind of love
You're really doing something to me.

I am the one for you
Nothing that you or anybody else can do
Hoo
I am the one for you
Am i getting through getting through to you?

My mind's been working overtime
Thinking of ways i'm gonna get to you
Rain or shine you'll be mine
And you know it'll be soon

Cos' i'll give you (give you) love that (lovin') you never dreamed of
I'll give you (give you) that and even more(lovin')
Face up to the fact
It's time to react
You'll be giving like you never before.

I am the one for you
Nothing that you or anybody else can do
Hoo
I am the one for you
Am i getting through getting through to you?

Hoo
