

# Kylie Minogue, In Your Eyes

What on earth am I meant to do  
In this crowded place there is only you  
Was gonna to leave now I have to stay  
You have taken my breath away

Is the world still spinning around  
I don't feel like coming down

It's in your eyes  
I can tell what your thinking  
My heart is sinking too  
It's no surprise  
I've been watching you lately  
I want to make it with you

Destiny has a funny way  
When it comes and takes all your cares away  
I can't think of a single thing  
Other than what a beautiful state I'm in

Is the world still spinning around  
I don't feel like coming down

It's in your eyes  
I can tell what your thinking  
My heart is sinking too  
It's no surprise  
I've been watching you lately  
I want to make it with you
