Kylie Minogue, Nu-Di-Ty

I like it Nu nu di di ty Burning down the scene Nu-di-ty (whoo) Hang your coat up Hang your coat up Lock the doors up Lock the doors up

Let the steam rise in the skylight (alright) Alright, are you ready to let it go tonight? (tonight) Do your own thing with your own thing Whoo, shake a hip It's getting cool swing Ooh ooh, guess who is watching now? Look, look, looking wow

Flash it in fashion with me Skin to skin, body to body Dare to ever let me see Nu-di-ty

Nu nu di di ty Nu-di-ty

Time to strip down Time to strip down Just pop that zipper for me And work that thing out Just expose it Cuz you know it's, alright (alright) Are you ready to let it go tonight? (tonight)

Let it go, here we go Just let it slip inside That's right, here we go One button at a time Who cares who sees tonight? Look, look, looking wow

Flashing in fashion with me Skin to skin, body to body Dare to ever let me see Nu-di-ty
