Kylie Minogue, Physical

I'm saying all the things that I know you like Making good conversation I've gotta handle you just right You know what I mean

I took you to an intimate restaurant Then to a suggestive movie There's nothing left to talk about Unless it's horizontally

Let's get physical, physical I wanna get physical Let's get into physical Let me hear your body talk, your body talk Let me hear your body talk

I've been patient, I've been good Tried to keep my hands on the table Oh it's getting hard to hold me back You know what I mean

I'm sure you understand my point of view We know each other better You've gotta know you're bringing out The animal in me

Let's get physical, physical I wanna get physical Let's get into physical Let me hear your body talk, your body talk Let me hear your body talk

(Physical) I wanna get physical Let's get into physical Let me hear your body talk, your body talk Let me hear your body talk

(Get physical) (Do you hear me) (Mmm, yeah) (C'mon) (I know you want me) (Physical)

Woah, yeah

Physical, physical, physical
I wanna get physical
Let's get into physical
Let me hear your body talk, your body talk
Let me hear your body talk
I wanna get physical, physical
I wanna get physical
Let's get into physical
Let me hear your body talk, your body talk
Let me hear your body talk
Let's get physical, physical
I wanna get physical
Let's get into physical
Let's get into physical
Let me hear your body talk, your body talk
